

أفتكر كثيرًا في نفسي .. وأجوبُ بأعمالي وَحَدْسِي

'Aftakiru Kathīran Fī Nafsī .. wa'AJūbu bi'A'māqī waḤadsī

I often think to myself, questioning my gut's feeling

فَأَعُودُ أَلْهَثُ فِي يَأْسِي .. مُحْتَارًا لَا أَجِدُ جَوَابًا

fa'A'ūdu 'Alhathu Fī Ya'sī .. Muḥtāran Lā 'Ajidu Jawāba

But I end up more confused, not getting a straight answer

-1-

يا مَنْ لاهوتك في ذاتك .. تَتَفَوَّقُ، تَسْمُو بِقُدْرَاتِكَ

Yā Man Lāhūtuka Fī Dhātek .. Tatafawwaqu, Tasmū biQudurātek

For in You lives the fullness of God in a human body in which Your power surpasses and transcends

اللازمة

'alLāzima

Refrain

مِنْ فَيْضِ جَمَالِكَ وَصِفَاتِكَ .. مُهْرَاقُ الْمَجْدِ قَدْ أَنْسَابَ

Min Fayḍi Jamālika waṢifātek .. Muhrāqul Majdi Qadi Ensāba

Out of the overflow of Your abundant Love, Your glory has been poured out

مُنْفَرِدٌ أَنْتَ بِجَلَالِكَ .. تَشْمَخُ فِي قُدْرَةِ أَعْمَالِكَ

Munfaridon 'Anta biJalālek .. Tashmakhu Fī Qudrati 'A'mālek

You reign in majesty above all. You prevail in power and authority

كَمْ نُخْفِقُ فِي وَصْفِ جَمَالِكَ .. فَجَمَالُكَ يُفْضِي الْأَبَابَ

Kam Nukhfiqu Fī Waṣfi Jamālek .. faJamāluka Yufḍīl 'Albāba

Words utterly fail to describe Your magnificent beauty

-2-

فَوُجُودُكَ قَبْلَ الْأَزَلِيَّةِ .. وَخُلُودُكَ بَعْدَ الْأَبَدِيَّةِ

faWujūduka Qablal 'Azaliyya .. waKhulūduka Ba'dal 'Abadiyya

You existed before time and Your Eternity is from everlasting

وَحُضُورُكَ سَبَبُ الْأَنْيَةِ .. فَتَسَبَّبُ أَنْتَ الْأَسْبَابَ

waḤudūruka Sababul 'Āniyya .. faTusabbibu 'Antal 'Asbāba

You are Omnipresent. By You, all things have come into being

-3-

هَلْ فِيَّ شَيْءٌ يَجْذِبُكَ؟ هَلْ عِنْدِي مَا قَدْ يُبْهَجُكَ؟

Hal Fiyya Shay'on Yajdhibuka? Hal 'Endī Mā Qad Yubhijuka?

Do I have anything that draws You to me? Do I have anything that pleases You?

أَتَسَاءَلُ عَمَّا يُفْتِنُكَ! لِإِنَاءٍ فِي الْأَصْلِ تُرَابًا

'Atasā'alu 'Ammā Yulfituka! li'Enā'en Fil 'Aṣli Turābā

I wonder what attracts You about an earthen vessel like me?

-4-

وَأَعُودُ فَأَقُولُ لِنَفْسِي .. كُفِّي، وَالْحَيْرَةَ فَلْتَنْسِ

wa'A'ūdu fa'Aqūlu liNafsī .. Kuffī, walḤayrata falTansi

Then again, I tell myself; stop and your confusion will disappear

فَاللَّهُ أَصْبَحَ لِي أَنْسِي .. وَالْقَلْبُ بِحُبِّهِ قَدْ طَابَ

faLlāhu 'Aṣbaḥa Lī 'Unsi .. walQalbu biḤubbihi Qad Ṭāba

For God is my greatest delight and through His Love my heart becomes so bright
